## AFSA Division 6 The Golden West Division

7 February 2024

Fellow AFSA Division 6 Professionals,

I offer this letter of intent to seek the offices of AFSA Division 6, President, Vice President, and Trustee #2. I ask for your support and vote at our next Division 6 Convention. If elected, I will serve to my greatest capacity for all those who AFSA protects and supports.

I am currently the Section Chief of Force Management and Customer Support in the Military Personnel Flight at Davis-Monthan AFB, Arizona. I was elected as the Membership Trustee of Chapter 1261 "The Desert Lightning Chapter", where I serve with 13 outstanding executive council members. Before that, I served as the Chapter 1075's "The Taj Mahal Chapter" President, Vice President, Secretary and Senior Advisor in the great city of San Antonio Texas. I was also on the Division 4 Council for a short stint as the awards trustee prior to my PCS to D-M. I was inspired to become a member for life at the AFSA Summit in 2021 in Orlando after many years of auto-renewing my membership. In my various positions, I have planned, coordinated, and conducted a wide spectrum of base and local city community events. I feel that our AFSA members are our most valuable assets, which is why taking care of them is my number one priority.

I ask that you favorably consider me for the positions above. I am available to address any questions you may have and stand ready to continue to serve AFSA on your behalf.

Yours in AFSA,

*Justin D. Peattie*

Justin D. Peattie, MSgt, USAF  
AFSA Chapter 1261, Trustee #1
