Division 6 Delegates,

I am seeking your nominations for AFSA Division 6, Vice President during our Division Conference 3-5 April 2022. I have gained an AFSA insider's perspective as I have been exposed to the internal workings of our organization as I volunteered to replace our Vice President as he took on the role of Division President. I have served on the Executive Council from 2018 - current in various positions. The experience that I have gained has certainly made me more appreciative of all that AFSA does on Capitol Hill to protect our benefits and advocate for improved quality of life. This passion for AFSA certainly fuels my love for our organization and increases my desire to serve you again!

My qualifications and leadership skills are as followed; I was the recipient of the 2017 AFSA International Membership Achievement Award, which I humbly accepted. This award validated that I am a hard worker and a firm believer of inclusiveness to AFSA at all levels. This accomplishment also afforded me the opportunity to be a member of HQAFSA's International Membership Committee (IMC). Our aim and directives from the IMC and International President was to bring innovative ways to grow AFSA membership by collective thinking and providing real actionable deliverables. Working cohesively with such distinguished members, cemented the direct reflection of my passion for AFSA. I have successfully served the largest chapter in Division 6 as President, Vice-President and currently Senior Advisor. I concurrently serve as Division 6, Vice President, Regional Director for Arizona and Annual Award Chair which all solidify my capabilities to serve as your Vice President. I will continued to foster the development of other AFSA members within our division, chapters and even other AFSA Divisions. Ultimately, my goal is to be a servant leader in any capacity, share my knowledge to ensure AFSA stays strong!

Furthermore, as a recent retiree I am able to provide dedicated time and focus to multiple AFSA issues and request. I am confident and ready to shoulder the responsibilities and carry AFSA into the future! It would be my honor if you select me to be your Division 6, Vice President to grow and lead our great Association!

Sincerely,
