

AIR FORCE SERGEANTS ASSOCIATION

AFSA Division 6 The Golden West Division

February 14, 2024

Fellow AFSA Division 6 Professionals,

It is with great enthusiasm that I announce my intent to run for the office of Trustee #2! I humbly ask for your support and vote at the upcoming AFSA Division 6 Summit in Las Vegas.

As a lifetime AFSA member, I have had the distinct honor to serve as Chapter 1260's Senior Advisor, President, Vice President, Secretary, and POW/MIA Memorial Run/Walk Lead. Within these roles, I ensured the growth and outreach of our chapter. Some examples of my experience and leadership include partnering with Arizona's Honor Flight to organize 40 volunteers to participate in sixteen welcome home ceremonies and coordinating a chapter member to fly as a guardian on 100th Honor Flight. My connection with Arizona's Honor Flight, also afforded me the opportunity to link Chapter 1260 with Youths for Troops. Their special project is to aid in building 2,400 care packages annually, thus far delivering over 13K packages since 2018. Also, I encouraged leadership and professional growth by conducting professional development mentoring sessions at chapter meetings across enterprise wide. Furthermore, I continued to support the local community by leading humane society cleanups, school improvement projects, and the chapter's first ever summer bash. We fed and handed out prizes to over 90 dormitory residents and base housing family members. I also routinely serve as Chapter 1260's representative for the Northwest Valley Veterans Association and United Arizona Veterans Association. As the conduit, I connect our chapter to over 56 different veteran organizations throughout Arizona and target Phoenix/West Valley. Moreover, I continue to honor our chapter's heritage by regularly supporting volunteerism at the National Memorial Cemetery in support of Wreaths Across America and Memorial Day weekend events as we honor and place flags/wreaths for our 78K fallen heroes. We also pay special tribute to CMSgt (deceased) "Geno" Piccoli on these occasions. Lastly, every day I have been a part of AFSA has been a truly rewarding experience and these words alone cannot truly express how grateful I am to those who have mentored me and placed their faith and confidence in me, because none of these things would have been possible without them.

If elected as Trustee #2, I pledge to you to provide every effort to further the objectives of this great association. Also, I will continue to aid and mentor whenever the need arises to continue growing AFSA and Division 6. I will continue to enhance the efforts of my predecessors while encouraging innovation within each chapter to lay the groundwork for those to follow. Lastly, I am confident that my leadership, strong work ethic, and unwavering commitment to this association would enable me to fulfill the responsibilities of this critical position. Therefore, I humbly request your consideration to be elected as Division 6, Trustee #2. Also, I encourage you to contact me directly at volkswagonbug1973@yahoo.com or by phone at (660) 563-1447, should you have any questions or concerns.

Sincerely,

ADAM W. LEWIS, SMSgt, USAF
