

AIR FORCE SERGEANTS ASSOCIATION

AFSA Division 6 – The Golden West Division

17 February 2026

Fellow AFSA Professionals,

I am writing to formally express my intent to seek the office of AFSA Division 6 Vice President, Trustee #1, and or Trustee #2. I am asking for your support and vote at our Division 6 Convention on March 28th held via Zoom. If elected, I will continue to serve to my greatest capacity for all those who AFSA supports.

My story with AFSA began when my career was at a standstill. I was without a mentor and working for a supervisor who didn't value my growth. In AFSA, I found the leadership and mentorship that I had been searching for, and it changed the course of my career. The mentors and friends I have made through AFSA have given me more than I could ever repay, and it is because of them that I am so passionate about contributing to this organization.

I am an active-duty Air Force Contracting Officer and the NCOIC for Base Construction at Nellis AFB. My prior experience with AFSA includes serving as Chapter Secretary and Sergeant at Arms at Creech AFB, and as a by name request for Chapter Treasurer at Nellis AFB leading to my selection as chapter President. I have also had the honor of being selected by the International President and Vice President to lead two different initiatives: the rewrite of the AFSA AA&F and DOO forms, and the ongoing coordination of the AFSA Discord communications platform. This new platform will streamline training and communication for all 121 chapters and approximately 75,000 members.

If elected, I will focus on building a strong foundation for the long-term success of our chapters. My primary goal is to empower our AFSA leaders with the knowledge and tools they need to create sustainable continuity. When a member relocates, their knowledge and experience must be preserved to ensure a seamless transition for their successor. By investing in our chapters, we create a legacy of sustained success and dedication to the growth of this organization.

I am confident that my experience and vision make me the ideal candidate for AFSA Division 6 Vice President. I am available to answer any questions you may have, and I stand ready to continue serving AFSA in any way I can.

Thank you for your consideration.

NATHAN D. DDOEBLER, TSgt, USAF
AFSA Division 6 Vice President
