

AIR FORCE SERGEANTS ASSOCIATION

AFSA Division 6 The Golden West Division

February 14, 2024

AFSA Division 6 Members,

I offer this letter of intent to seek the office of AFSA Division 6 Vice President. I ask for your consideration during the vote at the AFSA Division 6 Professional Development and Education Summit March 24 – 27th. I am seeking the Vice President role specifically as I believe it is the most responsible way I can serve the Division due to the 1 year term, due to the likelihood of a 2025 Permanent Change of Station.

I am currently the Flight Chief for the Air Combat Command MQ-9 Intelligence Initial Qualification Course at Creech AFB, NV. I have previously served as the Legislative Trustee for Chapter 1253 from November 2022- October 2023 and have since been the President of Chapter 1253 since November of 2023. During my time serving in Creech AFB Chapter 1253 I have overseen a study on the financial impact of military members stationed at Creech AFB which was one part of a multi-pronged effort that led to NV congressional members commissioning a study on the subject hopefully leading to future incentive pay for members stationed to Creech AFB. I oversaw a team planning Creech AFB's POW/MIA week events, to include a luncheon hosting a Korean War POW and an 8.1 km run in remembrance of the 81,000 remaining individuals still MIA. The importance of AFSA as an organization cannot be understated, and our efforts in Chapter 1253 so far this year have been focused on education and outreach through the base professional development and we have collaborated to develop a quality of life brain storming session for the Airman and NCO professional enhancement seminars, increasing collaboration with the airman, NCO, and top III councils and focusing on rebuilding our chapter awards program. These efforts are major factors in our attempt to increase education about the mission of AFSA and the importance to our members and base population.

I humbly request you consider me for the position of AFSA Division 6 Vice President. I look forward to seeing you all at the Division 6 Summit at the end of March.

Respectfully,

SAMUEL M. BROWER, MSgt, USAF
President, AFSA Chapter 1253

Serving the *Total Air Force* Enlisted Corps
And Their Families since 1961
