

AIR FORCE SERGEANTS ASSOCIATION

Division 6

24 January 2024

MEMORANDUM FOR ALCON

FROM: DIVISION 6 PRESIDENT JOSEPH L. TIDWELL

SUBJECT: DIVISION 6 SUMMIT FUNDING

The Air Force Sergeants Association will host the Division 6 Professional Development and Education Summit in Las Vegas, Nevada from 24 March – 27 March 2024. This professional development opportunity broadens horizons in several different areas, including occupation performance, cross-integration with multiple Air Force Specialty Codes, networking, and most importantly, discovering desired learning objectives directed to mission success and application of those objectives to our greater mission.

Your continued support and funding for this opportunity is critical to aligning with General Allvin's "follow through" priority of commitment to the success of the team; specifically, uplifting our wingmen and building all-axis leaders. Additionally, the Summit supports CMSAF Bass's priorities of People, Readiness, and Culture. No other enlisted development opportunity provides access and exposure to this number of your senior leaders in one forum; guest speakers and panel members including former Chief Master Sergeant of the Air Force #11 David Campanale, AFSA International President Kerry Wright, and senior enlisted leaders from the USAF and USSF.

Please give your highest consideration to funding this opportunity for enlisted growth and development. For any questions, please contact joseph.tidwell@us.af.mil or at (808) 627-5582.

Joseph L. Tidwell
