

AIR FORCE SERGEANTS ASSOCIATION

AFSA Division 6 The Golden West Division

February 23, 2022

AFSA Division Six,

I offer this letter of intent to seek election as the AFSA Division Six President. I ask for your support and vote at our 2022 Division 6 Conference.

You elected me at our last conference to serve as your Vice President. At the 2021 Professional Education and Development Symposium, International Vice President Blake Manuel was called to serve at a higher level and I assumed the position as President. It has been my privilege to serve the 9,600 members of our division over the past six months. I have worked to bolster our recruiting, train new chapter leaders, provide fundraising opportunities, and develop leaders across our 21 Air and Space Force Bases. If elected, I will continue to lead our Division Executive Council with passion and serve as your active voice on the International Board of Directors.

I ask that you favorably consider me for the position of AFSA Division Six President. I am available to address any questions you may have and stand ready to continue to serve AFSA on your behalf.

Yours in AFSA,

James A. Zwiebel, MSgt, USAF
Division 6, President
