

# AIR FORCE SERGEANTS ASSOCIATION

*AFSA Division 6 – The Golden West Division*

---

1 February 2026

Fellow AFSA Division 6 Leaders,

My name is Mandelyn Dillahunt and I am writing to formally express my intent to run for AFSA Division 6 Trustee 1, Trustee 2, and Trustee 3. AFSA plays a vital role in representing enlisted Airmen, advocating for fair policies, and supporting military members, veterans, and their families. I strongly believe in these values and am committed to supporting AFSA's mission through dedicated service, responsible leadership, and active engagement with our members.

As a Retired Air Force member and Spouse to an Active Duty Member, our family currently calls Kirtland AFB, New Mexico, home. With that said, I bring over 20 years of Active Duty Air Force experience, in which I saw firsthand the impact on families when support wasn't there for not only myself but those in my unit. I bring energy and a genuine listening ear, and I bring an approach of collaboration: I will work with the Division executive Council, AFSA headquarters, and other families to build programs that truly meet all those within the Division's AOR.

As a Trustee, I would bring a strong sense of accountability, teamwork, and integrity to the position. I am prepared to support the Executive Council, assist with decision-making, uphold AFSA by-laws, and represent the interests of our members at all times. I am especially interested in helping strengthen communication within the chapter, encouraging member participation, and ensuring transparency in all organizational matters.

I believe my willingness to listen, collaborate, and take initiative would allow me to serve effectively in any one of these roles. I am motivated to contribute my time and effort to help Division 6 continue to grow and remain a strong voice for all personnel. Thank you for your consideration. I would be grateful for the opportunity to serve as a Trustee and support the Air Force Sergeants Association in achieving its goals. I'm looking forward to working with all of you, as we make "Family Matters" more than just a program it becomes our commitment to each other.

We got your six,

*Mandelyn Dillahunt*

MANDELYN C. DILLAHUNT, TSgt (Retired), USAF  
AFSA Chapter 1201, Family Matters Trustee
