<b>PART II – REPORT</b>		
<p>To further empower local leaders, each Chapter President has been strongly encouraged to develop program-specific plans for Membership, Communications, Legislation, &amp; Fraternity, complete with clear objectives &amp; milestones aligned with the calendar year.</p> <p>As a member of the AFSA International Communications Committee (ICC), DVP Doebler is heading an innovative project to streamline communication across the association. He has established a unified Discord platform, creating 7 Divisional Channels &amp; 1 International Channel. This new system has the capability to streamline communication &amp; disseminate information across all 121 chapters, saving time &amp; fostering open &amp; direct communication.</p> <p>Looking ahead, DP Bappe &amp; DVP Doebler are emphasizing an in-person Division 6 conference in Las Vegas, Nevada, for 2027. To support this vision, DVP Doebler has formed two specialized teams to leverage talent from across the division.</p> <p>- The first team is developing a "Division Plans &amp; Programs Playbook." This playbook will highlight best practices &amp; detail how to successfully host events, allowing new chapter councils to execute plans effectively without having to "reinvent the wheel."</p>

<b>PART II – REPORT</b>		
<p>- The second sub-committee is tasked with planning the 2027 Summit. Leveraging his contracting experience, DVP Doebler is leading a team of seven to research venues, vendors, &amp; mission partners. The goal is to energize the event by prioritizing fraternal activities &amp; networking opportunities outside of the International Conference.</p> <p>In alignment with DP Bappe's fundraising priorities, DVP Doebler also crafted the idea for a divisional baseball jersey sale. This initiative is designed to boost morale &amp; fraternalism across all 21 chapters while securing funds for the 2027 Division Summit. The sale is in its final stages &amp; is projected to launch within the next two months, with a model that eliminates the need for the Division to hold inventory.</p> <p>Since January 1st, Division 6 has hosted four successful chapter training sessions: one "Chapter Leadership 101" course, two membership training sessions, &amp; a credentials training session, with attendance ranging from 13 to 28 participants each.</p> <p>Planning also continues for the Division 6 annual Summit, which is scheduled to be held via Zoom on March 28th.</p> <p>For any questions or concerns regarding this report, please contact Division 6 Vice President Nathan Doebler at (717) 919-9371.</p> <p>- Division 6 Vice President Nathan Doebler</p>
