

AIR FORCE SERGEANTS ASSOCIATION

AFSA Division 6 The Golden West Division

February 4, 2022

Fellow AFSA Division 6 Professionals,

I offer this letter of intent to again seek the office of AFSA Division 6 Second Trustee. I ask for your vote of support at our 2022 Division 6 Professional Airmen's Conference (PAC), April 3-5, at the Orleans Hotel and Casino in Las Vegas. If re-elected, I am ready to serve in a capacity determined by the Division 6 President and Board of Directors.

I currently serve as Division 6 Second Trustee as the division's Trustee for Legislative Affairs and Regional Director for Chapters 1163, 1311, and 1328. I have provided regular legislative updates on AFSA Headquarters' efforts in Washington, notable legislation being developed in Congress, a consistent update of the issues; and I've encouraged member participation and support. I published many dozens of AFSA Division 6 Updates during 2020, 2021, and early 2022. These Updates went/go to all Division 6 and international leaders, all past AFSA International Presidents, the leadership of all of AFSA's divisions, numerous other AFSA leaders and members, and the current and past Chief Master Sergeants of the Air Force.

I solicited and collected quality-of-life situational inputs from current and past Airmen throughout the Division for pursuit as part of the AFSA Legislative Platform—the blueprint our headquarters uses when it fights for enlisted benefits on Capitol Hill. Additionally, I continued to work with the AFSA Legislative Policy Advisor Matt Schwartzman to increase support for Legislative Awareness Week and to promote participation in the annual Legislative Platform Survey. Additionally, I worked closely with Matt to address specific immediate needs such as the problems that arose with the great increase in housing prices and the inability of airmen to find and afford housing as they PCS'd into new locations. I also worked with Matt in alerting Congress on enforcement of the military base housing Tenants' Housing Bill of Rights.

As regional director, I worked hard to provide regular guidance and ensure understanding and compliance with AFSA governance requirements. Additionally, over the past two years, I virtually visited numerous Division 6 bases/chapters and delivered dozens of AFSA Citizen Airman Quality-of-Life benefits briefings. I did the same for numerous other Association locations around the world.

I look forward to seeing you in Las Vegas in early April. I would very much appreciate your vote and the opportunity to continue to serve as a member of the Division 6 Board of Directors.

Sincerely,

(SIGNED)
